

Official Gopher Graphics Club Constitution

Club Overview:

The official name of the organization shall be Gopher Graphics.

Our Purpose

This organization shall exist for the following purposes:

1. Provide a space for graduate and undergraduate students to discuss computer graphics, VR, 3D modeling, and animation.
2. To dedicate time to discuss and dissect papers in the field that interest students.
3. Have workshop meetings so students at a variety of skill levels can explore graphics.
4. Hold open house hours where students can convene to talk about their graphics studies and projects, providing a space for those with this interest.
5. Host time-limited events where participants work together to create graphics from scratch.

The organization shall operate as a nonprofit organization.

The organization shall comply with all University policies and procedures, as well as local, state, and federal laws and regulations.

Membership:

Membership is open to all undergraduate and graduate students without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression. A student may become a member and receive voting rights by attending at least three meetings in a given semester. No more than one-third ($\frac{1}{3}$) of the voting membership shall consist of those who are not currently registered students at the University of Minnesota - Twin Cities campus.

Officers:

All officers must be currently registered, student services fee paying students at the University of Minnesota - Twin Cities. Exceptions to this requirement are permitted for graduate students upon receipt of a letter from the Director of Graduate Studies of the student's department certifying the student is actively pursuing a degree. Officers must also be in good standing with the University and free of any sanctions defined by the Board of Regents Policy - Student Conduct Code, administered by the Office for Community Standards.

Dissolution of Group:

At the time of dissolution of the organization, residual assets shall be distributed to the following organizations according to the proportions below:

- As a CLP, any funds left for Gopher Graphics (such as SSF grants) will be returned to University of Minnesota's Computer Science department.
- If any grants from the Student Activities Office (SAO) were requested, unspent grant funds will be returned to SAO.

Affiliation:

Gopher Graphics is informally partnered with the University of Minnesota Libraries and uses their Virtual Reality Studio for workshops and meetings whenever available. Gopher Graphics shall strive to uphold the guidelines and values of the VR Studio and the UMN Libraries at all times.

Group Officers:

Officers shall be updated every May. Any individual who is a member of the club and who meets the aforementioned criteria regarding the University's requirement for student group officers shall be eligible to hold office. Officers shall serve for one year. There shall be at least five officers per semester.

The duties of the officers are as follows:

1. **President** (required) – Preside over all meetings of the club. Act as official representative of the club at other meetings and events.
2. **Vice President** (required) – Act as an assistant to the president, helping the President with club paperwork and perform aforementioned presidential duties when the President is absent.
3. **Treasurer** (required) – Handle all financial transactions of the club. Maintain thorough and accurate records of all transactions. Produce financial reports as required by the club. Order food for events.
4. **Secretary** – Coordinate the club's correspondence, including mailing list, social media pages, and general outreach to other organizations.
5. **Project Maintainer** – Administrate long-term projects tied to the group, such as Taichi Lang library maintenance or club website development.
6. **Workshop Leader** – Organize and lead workshops on computer graphics topics. Help create a welcoming academic atmosphere for the club.

Membership and Membership Status:

To become a member, an individual must attend at least three meetings for a given semester. This process is free for all students that wish to participate. Upon satisfaction of these terms, an individual automatically becomes a member and receives voting rights.

Any member/officer may be removed from office and/or the club for misconduct as defined by the group (for example: failure to perform duties, attendance, or misuse of funds). The

member/officer shall be given a seven day notice and an opportunity to give a defense. This removal vote shall require a two-thirds (2/3) majority vote from the voting membership.

Voting Procedures:

Officers shall be elected by a plurality of the voting members.

If a major club decision is proposed at an officer meeting, a form may be sent out to the voting members to decide whether or not the decision should be enacted.

Officer voting will be conducted at the end of a semester in April, and will be mostly conducted asynchronously by sending out a form that voting members may fill out to indicate their officer choices.

Meetings of the Group:

Officer meetings shall occur at most weekly and at least monthly to discuss the planning of events, address concerns, and delegate tasks to officers.

Workshop meetings will occur whenever a workshop leader is available to organize an event, preferentially every other week.

Open house hours will occur weekly to provide a space for members to convene and talk.

Method of Amending the Constitution and By-Laws:

By-laws may be amended by proposing changes at an officer meeting. The proposed change will be announced and then given a vote at the next meeting where quorum is present. If the proposed change receives majority support and does not violate any University rules as a CLP, it shall be incorporated into the constitution.
